Come learn about improvements being implemented this fall on the Haverhill Commuter Rail Line, and the alternative travel options being provided to keep you moving.

What's going on?

From September 23 – December 2, there will be **no train service on weekends** while we install a new train safety control system on the Haverhill Commuter Rail Line. This is a federally-mandated upgrade that will prevent human error, and reduce train collisions and derailments.

To effectively meet deadlines required by the Federal Railroad Administration the MBTA must shutdown weekend service beginning September 23, 2017.

When? And how will it impact service?

- Weekends from September 23 through December 2, 2017 trains will not run.
- The MBTA will use bus shuttles to transport riders Saturdays and Sundays on the Haverhill Line to Oak Grove.
- Weekday service will not be impacted.

Accommodations

All locations are accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (including but not limited to interpreters in American Sign Language and languages other than English, open or closed captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille and large print), as available.

For accommodation or language assistance, please contact **Katy Zazzera** by phone (**857-368-8986**), or by email at **kathryn.zazzera@dot.state.ma.us**.

Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign- language, CART or language translation or interpretation, **requests should be made at least ten (10) business days before the meeting.**

In case of inclement weather, meeting cancellation announcements will be posted on **MBTA.com**.
