

***Please Join the Green Line Transformation Team for
a Virtual Public Meeting (via Zoom) on the
E Branch 28-Day Full Access: Track & Intersection Upgrades
Virtual Public Meeting: July 14, 2021***

Please join GLT for an online public meeting to learn about the E Branch 28-Day Full Access Closure scheduled for August 2 - 29, 2021. During this closure, we will replace 4,000 feet of outdated track between **South Huntington Avenue and Brigham Circle Station**, including new pavement, subgrade, ballast, ties, and running rail. We will also upgrade and reconstruct the Tremont Street/Francis Street intersection. Work along Huntington Avenue will be segmented to maintain access for vehicles and pedestrians.

Project Benefits:

- Mitigate risk of service disruptions by replacing track that is beyond its planned design life
- Provide a smoother experience for passengers, bicyclists, and drivers

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers.

See how to join on the project website under Upcoming Events:

www.mbta.com/GLIntersections

A recording of the meeting will be posted for those who are unable to attend.

You can email questions anytime to GLT@MBTA.com. To learn more about the Green Line Transformation program, please visit www.mbta.com/GLT

Accommodations

The public meeting is accessible to people with disabilities and those with limited proficiency in English. Live closed captioning in English will be available. Accessibility accommodations and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated documents, and interpreters. To request a reasonable accommodation and/or language services, please email GLT@mbta.com.

ALTERNATIVE SERVICE BETWEEN HEATH ST AND BRIGHAM CIRCLE

Enhanced Alternative Service

- From August 2 – 29, enhanced Route 39 bus service will provide free alternative travel for those boarding at stops between Heath Street and Brigham Circle
- Some existing bus stop locations may shift for safety and access during construction, and signs will direct passengers to the new stop locations

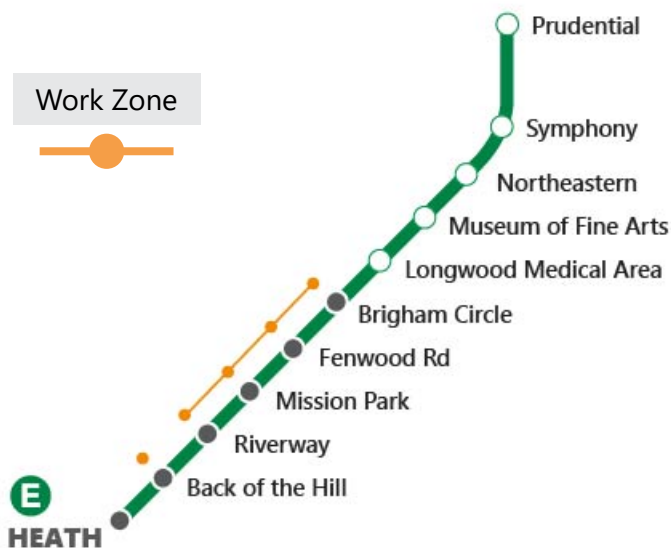

Accessibility

- All drivers are trained to assist riders and to operate lifts

Riders' Health & Safety

- Service will be monitored throughout and adjusted to reduce crowding

Work Zone: Brigham Circle to Riverway
