Please join us for an online public meeting to learn more about Phase II of the Downtown Crossing Accessibility improvements. As part of our System-Wide Accessibility Improvements, we're building three new, accessible transfer elevators: two at Downtown Crossing, and one at Park Street. At this meeting, we will present an overview of the accessibility improvements completed so far and the additional accessibility improvements planned for Park Street and Downtown Crossing in Phase II. Our team will also present the 30% design plans for the transfer elevators.

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers. Please pre-register for this meeting at the link. After registering, you will receive a confirmation email with information about joining the meeting. The presentation will be posted on the website ahead of the meeting and a recording of the meeting will be posted for those who are unable to attend. You can also email questions to [DTX@mbta.com](mailto:DTX@mbta.com).
