Dear Mr. Layton:

After reviewing the 2023 Yearly Operational Plans (YOP) submitted for the Massachusetts Bay Transportation Authority (MBTA), the Department feels the plans adequately satisfy the requirements put forth by the Department for approval.

Any compromises or agreements between the applicant and citizen(s) of the municipality, the Department must be made aware of as soon as it/ they are confirmed so that these compromises and or agreements will become part of the YOP. Those compromises or agreements not made known to the Department by written confirmation may cause the YOP to be "modified".

Your continued cooperation throughout this process is appreciated. Please call 617-626-1781 if you have any questions.

Thank you for your time and efforts in this program.

Sincerely,

CLAYTON L EDWARDS
